

Casual & Practical, the **BELLE LINE** offers Solutions for an Organized Space.

Add some flare to your closets with our next level closet & pantry cabinet line.

Our Belle closet & pantry cabinet line is a frameless 3/4" melamine particle board. Belle is built with a rafix construction system and is offered in any of our standard melamine color and size selection options. It is our next level closet and pantry cabinet system.

Standard in the Belle line are hanging rods with finish selections from our standard melamine color list. Included with your Belle Closet is the accent tower featuring five drawers and a double door cabinet.

Accessories to further style your Belle closet or pantry are available upon final selections.
