

Contemporary and Sleek, the **GIANINA LINE** is Innovative Design and Enduring Performance.

An interesting modern look with an eye-catching design.

Our Gianina cabinet line comes in a frameless 3/4" clear coat uv-ray plywood cabinet box. A standard drawer feature for the Gianina cabinet line are the Legrabo drawers with Tandem Blumotion drawer slides.

Another standard feature are the soft closing doors and drawers. Gianina is offered in an array of colors that are uv-ray finished fronts and finished ends. Gianina is only available in a slab door front and toekick.
