

Attractive & Opulent, the **MERLOT LINE** is Captivating with a Luxurious Quality.

Our Merlot wine cellar cabinet line is a face frame 3/4" natural plywood cabinet box. It is available in any of our standard stain color selection options. To protect your most cherished bottles of wine, our Merlot cabinets are sealed with a waterborne clear coat finish.

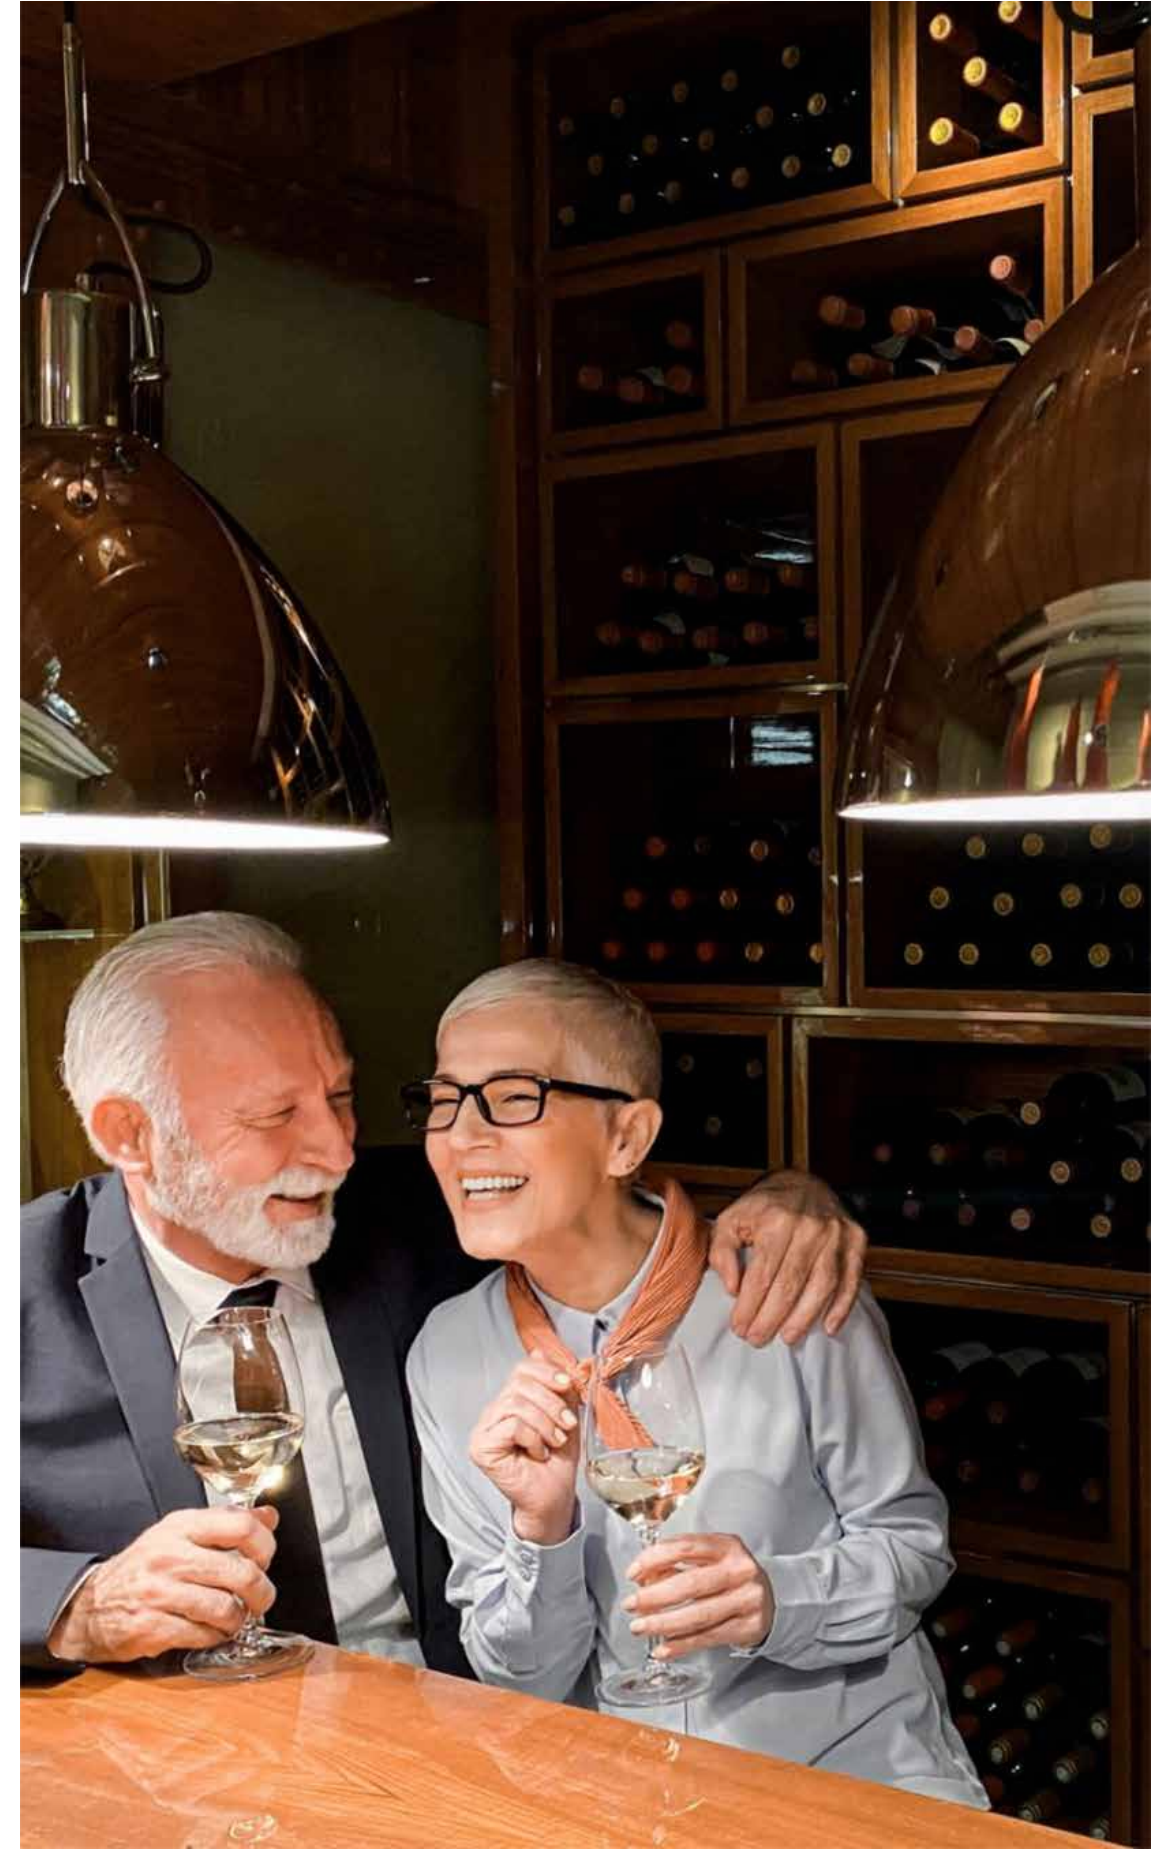

The Merlot line can be customized with several wine rack selections that include the classic lattice rack, the L rack, the X rack, or an angled shelf for those spotlight-worthy wines.

To further style and complete your wine cellar, accessories are available upon final selections.
